## **P. Buckley Moss, Artist**

P. Buckley Moss is one of America's most prized living artists. An alumna of New York's prestigious Cooper Union for the Advancement of Science and Art, Pat Moss is a formally educated and accomplished artist, highly regarded by academics and collectors alike. Her art is represented in over 200 galleries worldwide.

Having achieved success, she devotes a great deal of her time and effort to helping others. Donations of P. Buckley Moss art have raised over four million dollars for worthy charities. The P. Buckley Moss Foundation for Children's Education is devoted to promoting the use of art in the classroom, especially as a means to teach children with learning differences.

P. Buckley Moss has recently moved to Radford and has been a staunch supporter of Virginia Tech for 25 years. In 2014, she opened a Moss Gallery in Blacksburg and has agreed to share her stories with the people of the New River Valley.
